AUTHOR CHECKLIST

CHECKLISTS	✓	✗
Is the submission complete, are all files submitted in an acceptable format and is the manuscript ready for review?		
Have all co-author names been uploaded by the submitting author?		
Is the manuscript within the scope of/suitable for the journal?		
Is the manuscript within the word limit?		
Have the manuscript files (including any Supplemental Files for Review) been anonymised to allow for blinded review?		
Has both the Title Page and Main Document been uploaded to the ScholarOne system?		
Have important details provided in the Title Page? ▪ title of manuscript ▪ list of authors (correct order is first name, last name) ▪ complete affiliation of all authors ▪ corresponding author email ▪ acknowledgements ▪ conflict of interest statement ▪ author contributions statement
